## MARIBOR

### Architectural Panorama

From 11 July to 19 October 2012

---

- Subject:** A picturesque town on the banks of the River Drava, Maribor is one of the 2012 European Cities of Culture. To mark this special year, the *Architektur im Ringturm* series - which is supported by the Vienna Insurance Group's main shareholder - is dedicating an exhibition to Maribor's architectural diversity, with a panorama of Slovenia's second biggest city. The show covers five periods in Maribor's history, which is closely intertwined with that of Austria. The architectural highlights of the 20th century are presented alongside the city's most recent developments, and the architects who have contributed most to Maribor's urban landscape are profiled in the context of their works.
